

DISCLOSURE

Penn State College of Medicine is committed to offering CME programs which promote improvements or quality in health care and are developed free of the control of commercial interests. Reasonable efforts have been taken to ensure that our programs are balanced, independent, objective, scientific, and in compliance with regulatory requirements. Faculty and course directors have disclosed all relevant financial relationships with commercial companies, and Penn State has a process in place to resolve any conflict of interest. Penn State also requires that faculty disclose any discussion of off-label or investigational uses included in their presentations. Disclosure of a relationship is not intended to suggest or condone bias in a presentation, but is made to provide participants with information that might be of potential importance to their evaluation of a presentation.

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, Penn State College of Medicine. Each participant must use his/her personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

Course Director/Speaker

Jonathan R. Pletcher, MD

Nothing to disclose
