

The Pennsylvania Primary Care Network
for Adolescent Smoking Cessation and
the Pennsylvania Chapter of the
American Academy of Pediatrics
announce a new web site:
www.help-teensquit.org

*This website has been designed to assist healthcare professionals
as they strive to help teens stop using tobacco.*

This web site offers:

- Practice-based quality improvement ideas and tools
- Local and national referral information
- Handouts and links appropriate for teens
- Continuing Medical Education materials and opportunities

Please visit and utilize the website at:

www.help-teensquit.org
